Like its namesake, Evie en Rosé wine is made for those with a free spirit who see life through rose-colored glasses.

Block Two of George Vineyard is tucked below a mountainside and an elevated rocky knoll creating a cool and breezy setting to grow Syrah for Rosé.

Evie en Rose is classically fermented creating Rosé wine that is bold yet elegant and has the flexibility to pair well with many foods.

Floral notes are layered with flavors of wild strawberry, raspberry, bright lemon and ocean salinity. This is all refreshingly balanced with stone in the finish.

166 cases made.
