Style: Lushly fruit-focused. Terroir driven. Classic Sonoma Valley eucalyptus. Soft spices. Classic & structured.
Varietal: Cabernet Sauvignon 80%, Syrah 18%, Petite Syrah 2%
Wine Maker: Adam Lee & Morét Brealynn
Alcohol: 14.4%
Serving Temp: 62 degrees
Pair it with: Pasta and rich sauces. Pork, hamburgers, steaks and other red meats.

'Whit's End' is dedicated to those moments in life when our future is laid bare before us, and we answer the call by leaning forward into our journey.

This wine is made from George Vineyards mountainside-grown Cabernet Sauvignon, where an abundance of volcanic stone permeates the soil, and a strong ocean influence creates cold nights and fog entrenched mornings that interchange daily with brilliant and long afternoon mountain sunlight.

The result is a true expression of the Sonoma Valley. 'Whit's End' is rich, dense, and pure Cabernet.

Color is a dark ruby to almost purple. Flavors are of dark cherry, eucalyptus and cocoa, revealing themselves in a silky texture with soft tannins. French oak is softly detectable in its structured and balanced finish.
